**Subject:** Family Planning Demonstration Project

Hi, Debora –

As I mentioned on my voice mail message to you, last night the Assembly Republican Caucus chose to modify the age requirements for participating in the MA Family Planning Demonstration Project so that women ages 18 through 44 would be eligible to participate in the program, rather than women ages 15 through 44, as under current law. Could you please revise draft 795 to reflect this change?

Thank-you.
